

# Delivery Charges

We deliver within Maricopa County and parts of Pinal County. Delivery Charges are based on the distance from our kitchen which is located at 23rd Avenue & Deer Valley Road. The average delivery charge is between \$20 (A) - \$60 (E), anything in the outlying areas will be considered on an individual basis. An additional \$20 charge may be applied to deliveries before 6am or after 4pm. Delivery charges are doubled on major holidays. Delivery Charges do not go to the delivery person; these dollars go toward vehicle costs and expenses like fuel, maintenance and insurance. We use the industry's best equipment to package and transport the food; hot food stays hot and cold food stays cold. Our staff will arrive, unload and set-up your order by the start time (eat time) that you provide us.
